

READ BETWEEN THE LINES

Reading Journal

INTRODUCTION

The Read Between the Lines Reading Challenge started in 2024, and is created by me: Hilde Bakering of bibliomaniac.co.uk, the challenge runs from January 1st until December 31st of the running year. The aim is to read 50 books throughout the year based on the prompts.

This year's challenge is themed "Around the World in 365 days". Each continent, with the exception of Antarctica, has its own prompt. This was inspired by St. Augustine's quote: "world is a book, and those who do not travel read only one page".

As always, there are no set rules, if you think something fits a prompt, go for it. Your challenge, your rules!

This year I've decided to add an ABC challenge as well. You'll find both of these challenges in this reading journal, as well as online on The StoryGraph.

Happy Reading,
Hilde x
